

Advanced Spanish for Healthcare: A Custom Solution.

Collaborative approach improves healthcare communication.

When a major integrated healthcare provider sought to enhance the professional and medical language of their Spanish-speaking workforce, they chose Rosetta Stone as their partner.

To meet this need, the Rosetta Stone team of linguists and curriculum designers collaborated with researchers and practitioners of patient-centered care to develop the flexible, on-demand, and scalable **Rosetta Stone® Advanced Spanish for Healthcare** solution.

This online course takes a holistic view of healthcare communication to help the provider:

- Develop loyalty with a growing patient segment
- Reduce liability risk and outside interpreter costs
- Leverage internal Spanish language abilities
- Enable regulatory compliance
