

**ROSETTA STONE PRODUCT SUPPORT POLICY
for Personal Edition and Home-School Products**

Purchasers of Complete Online Access and Online Subscriptions receive complimentary phone, chat and email support for the duration of their subscriptions. Self-service support resources are available on our website, including Knowledge Base articles and instructional videos. Version 2 and 3 products including Homeschool and Personal Edition, and all Version 4 product components installed from downloadable or removable media such as CD-ROMs are no longer supported by Rosetta Stone other than by self-serve Knowledge Base articles. Rosetta Stone reserves the right to modify this Product Support Policy and/or discontinue product support for CD-ROM, digital downloads, or other previous software versions at any time without notice.
