Rosetta Stone Mobile Installation Instructions

Open the Rosetta Stone invitation email on a mobile device and follow the instructions to download the Rosetta Stone Learn Languages mobile app.

Rosetta Stone.

Hello Tom
Get ready to go mobile!

As a Rosetta Stone® Catalyst™ language learner, you have full access to our **Learn Languages** mobile app so you can learn on the go!

Getting the app is easy. Just open this email on your phone or tablet and choose your store below to start downloading.

Once you've downloaded the app on your mobile device, here's how you'll sign in:
1. Select the "Sign in with SSO" link.
2. Enter your organization's SSO code and select "Next".
3. Sign in with your username and password.

Your Organization's SSO Code: **lamresearch**

1. Download the Rosetta Stone app

2. Once the app is installed, tap Rosetta Stone >> Sign In

3. Select "I have an SSO code"

4. Enter the Lam SSO code from the Rosetta Stone email invitation "lamresearch" and tap Next.

5. The Lam Research Azure Sign in page will display in a web view.
   Please enter your Lam network credentials and follow the Lam login process.

6. Once your Lam Credentials have been accepted, you will land on a screen with units of learning content.
