

Your language learners have access to Rosetta Stone for Schools! This interactive platform accelerates language acquisition and retention in 25 languages.

Immersive

Students learn intuitively through real-world images and audio from native speakers.

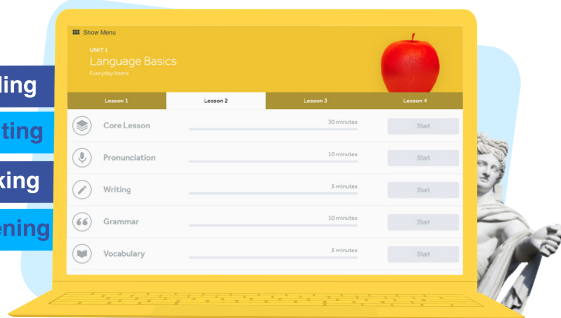

reading

writing

speaking

listening

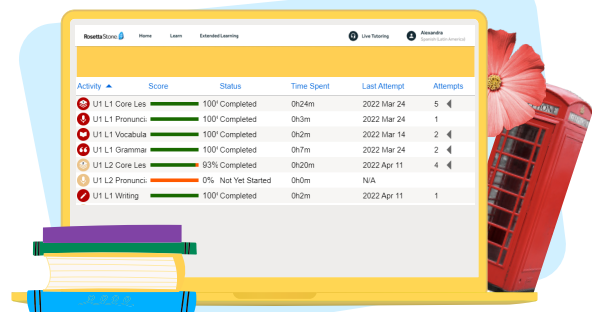

Comprehensive

Students engage in all four domains of language: reading, writing, speaking and listening.

Measurable

Teachers have access to reports that track learners' usage and progress.

Get started in three easy steps:

Reply to this email with

- Number of student licenses needed
- Class name
- Language(s) being learned

Your site administrator will provide you with a username and password to access the platform and next steps to complete registration.

Explore Rosetta Stone for Schools' [Teacher Resources](#) to see teacher's guides, course contents, workbooks, placement guides, and more.
